Pegmatis Receives Award for New Product Development Services

BURLINGTON, ON — November 2021 — Pegmatis, a design and development firm, is pleased to announce that it has received a 2021 Mexico Technology Award in the category of Design Services. The award was announced during a ceremony on Tuesday, Nov. 2, 2021, at SMTA International in Minneapolis, MN.

"We are honoured to have been considered for this award and are thrilled to share it with our team. We want to thank our team for their continuous effort focusing on our customers – the award recognizes their skill in delivering world-class products to market. With the dedication of our team, we have been able to help our clients to navigate the challenges resulting from the pandemic. Our team has adapted to the dynamic nature of the product development challenges during this time, and we are proud to have such a terrific team!"

(Ron Cassar CFO and Dr. Ed Becze CEO, Pegmatis, Inc.)

Pegmatis offers product design, development and consulting and is supported by a team of hardware and software designers and developers: a bench that has worked together for decades. They are all under one roof, facilitating communication and teamwork when bringing new products to market. The Pegmatis proven design approach comes from years of experience launching high-quality, integrated products into mass production with Fortune 1000 organizations.

About Pegmatis

Pegmatis began as a Fortune 500 company's elite design center working with its top-tier customers from design ideation, cost-driven design architecture up to launching scores of high-volume products into the market. Chances are you have used or worked with a product that we have designed. We have developed high-tech products like mobile smartphones and connected streaming devices to ultra-high-end audio and medical products. As of 2016, Pegmatis has been operating under its own banner and has continued to provide high-fidelity design and manufacturing services to customers, leveraging our mass production network. Same Dream Team, but add an elite software team, and you have Pegmatis. Truly a complete end-to-end design partner in hardware, software, or both.

A product design and development company.
